

THE ST. LUCY PROJECT

Feeding the Hungry, Nourishing the Soul

St. Theresa Church

March 2021 Monthly Food Drive

Results

The parishioners, youth group, and Knights knocked it out of the ball park again - 5,059 pounds of food delivered to the Catholic Charities Loudoun Food Pantry in Sterling!! Many thanks to everyone who helped sorting the items and loading cars at the school. The “supporting fires” we received from the youth group and stragglers are always greatly appreciated. If you missed this month, April will be another great opportunity to excel. The next food drive is April 17/18 (pick up bags), 24/25 (return bags and pre-sort items), 26 (sort items), 28 (move bags).
