

THE ST. LUCY PROJECT

Feeding the Hungry, Nourishing the Soul

St. Theresa Church

October, 2020 Monthly Food Drive

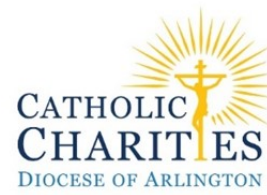

Another great food drive - The St. Theresa Knights of Columbus collected and delivered 5,045 lbs. of food! The generosity of our St. Theresa parishioners never fails! Thanks to the baggers and drivers for pre-sorting the boxes and breakables and for their continued sorting and weighing at the pantry. Special thanks and kudos to Paul Dwyer and his youth group for helping out sorting, organizing, and loading the vehicles. They made a difference. Once again, thanks to all who donated, moved, sorted, delivered, and weighed food.

Next food drive, Nov 28-29.
