St. Theresa Church

January 2021 Monthly Food Drive

Results

Thanks to the generous donations from our St. Theresa parishioners, the Knights of Columbus collected and delivered 4,525 lbs. of food this month. Thank you to the youth group, baggers, and drivers for sorting and delivering all items. The food was delivered for the first time to the Catholic Charities' new location in Sterling.

Our next monthly food collection will be on February 20 and 21 for bag pick-up, and February 27 and 28 for food drop-off.
