

THE ST. LUCY PROJECT

Feeding the Hungry, Nourishing the Soul

St. Theresa Church April 2021 Monthly Food Drive Results

The parishioners, youth group, and Knights keep delivering in April - 4,781 pounds of food delivered to the Catholic Charities Loudoun Food Pantry in Sterling!!

Many thanks to everyone who helped sorting the items and loading cars at the school. The “supporting fires” we received from the youth group and stragglers are always greatly appreciated.

May is around the corner and another great opportunity to excel. The next food drive is May 15/16 (pick up bags), 22/23 (return bags and pre-sort items), 24 (sort items), and 26 (move bags).
